

Consider taking the 1% challenge. On the following chart, find your annual income, then move across until you reach your current giving amount. This will determine your giving percentage. Move to the right to determine how much you are willing to grow in your annual pledge. For example, if in 2016 you gave 5%, consider giving 6% in 2017.

Consider Taking the 1% Challenge...

Annual Income	1%	2%	3%	4%	5%	6%	7%	8%	9%	10%	11%	12%	13%	14%	15%
\$20,000	\$200	\$400	\$600	\$800	\$1,000	\$1,200	\$1,400	\$1,600	\$1,800	\$2,000	\$2,200	\$2,400	\$2,600	\$2,800	\$3,000
