**Welcome to Trinity Learning Center
The "Cool" After School Program!**

TLC will offer many opportunities for your child to continue to develop intellectually, physically, socially, emotionally, and spiritually. Our primary goal is supporting the education your children are receiving in their daily school environment. We also want you to know that there will be time to play on the playground and in the gym as well as having some relaxing time eating snacks, finishing up homework and playing board games and other inside activities. It is our desire to provide a quality-learning environment that is positive and meaningful, as well as fun and safe.

Child groupings are as follows:

“Elementary After School” consists of 1ST through 4th graders who must have a homework time period.

“Preschool After School” are children in K-4 and K-5. They typically do not have homework but will have a time period consisting of Free Art, Scientific Experimentation, and Academic Enhancement.

“Preschool Players” are children who are older 2’s and 3’s who blend into our “Turning Threes” regular full day preschool classes. Their schedule is based on the particular assigned class schedule whether afternoons, ½ days or full days during holidays.

Each class has a lead teacher and a floating teacher

Elementary – Ms. Mitzi Lanford

Preschool – Miss Greta Ballard

Floater – Miss Emily Frierson

Items to leave here at TLC in your child’s cubby include:

- A full seasonal change of clothes including socks and underwear to be rotated each quarter.
- Full sized Bug Spray and Sun Block with Medical Consent (Teachers will keep in a storage container in the cabinet)
- Electronics are your child’s responsibility and are typically only used during Homework periods.
