WHERE LEARNING AND FUN ARE ONE MAY 2019

Turning Threes 11:00

Thrilling Threes 11:30

Fabulous Fours 12:00

The children need to be back in their classrooms for naptime by 1:00

Friday, May 17 **SPRING PROGRAM and GRADUATION**

Satterlee Hall - Toddlers through Fabulous Fives 10:00 am

Our children are practicing their songs and are excited about being in the spot light so please plan to come early as parking is usually tight for this event. The length of the program is about 35-40 minutes so please remain seated throughout. It is very distracting when people are getting up and down during the children's performances. Bring your cameras and recorders and if someone would be willing to record the entire event it would be much appreciated. The Graduating class parents (Fabulous Fours) have seats reserved in the front 3 rows.

Friday, May 24 **TEACHER IN-SERVICE & LUNCHEON-CLOSED**

For our **Teacher Appreciation Day** I like to put together GIFT BAGS for each of our 26 employees which includes behind the scenes people like our cook, our floaters, and other administrators who contribute to the care of your children. Gift cards are encouraged but not required. I will leave a list of staff names and stationary at the sign in desk. Please take a minute to write a note to as many as you can that contribute to the care of your children daily. Our TLC Board supplies a lovely luncheon and if you would like to contribute a dessert for that please let me know.

Fri/Mon May 24 and 27 **MEMORIAL DAY HOLIDAY**

Parents of After-Schoolers please note that both of these days you will need to make pick up arrangements because TLC is closed
